WAREHOUSES IN PEMBROKE

Are Burned Monday Evening at a Very Heavy Loss.

ESTIMATED AT \$16,000.

Insurance \$13,000 On Buildings and Contents--Clarks-ville Millers Lose.

Two warehouses burned in Pembroke Monday about 5:30 p. m. The one in which the fire originated was owned by W. W. Garnett and Mrs. Lizzie Williams and rented by A. O. Doraty & Co. It contained 200 tons of hay and 3000 bushels of wheat, with no insurance on building but \$2,500 on the contents.

The other was owned by L. McCombs and contained 10,000 bushels of wheat with \$1,500 insurance on the building and \$9,000 on the contents.

The wheat was owned by the Dunlop Milling Co., of Clarksville. The loss on wheat was about \$12,000 and on hay about \$2,000.

The buildings were frame and were worth together about \$2,500.

In addition to the wheat and hay, the Doraty & Co., building contained a car load of hoghead staves and other articles of small value.

The origin of the fire is not definitely known. Workmen were in the Doraty warehouse up to five o'clock and the most plausible theory is that some of them were smoking and threw down a match. The fire was discovered soon after the men left.

Pembroke has no fire company and the combustible nature of the buildings and its contents soon put the Doraty warehouse beyond hope, and although a bucket brigade worked hard the fire soon spread to the McComb warehouse adjoining. Doraty & Co., had another warehouse across the street, which was saved by hard work.

BIG BARN

Filled With Tobacco is Destroyed by Fire.

A large tobacco barn belonging to J. H. Duvall, who resides seven miles northeast of the city, on the Greenville road, was destroyed by fire about 2 o'clock yesterday morning. The building contained 12,000 pounds of tobacco and the loss is probably a thousand dollars or more, with no insurance. Mr. Duvall had been firing the tobacco, but the fire had been pulled from under it early in the night. The supposition is that some of the coals were left, however, and the building caught in this manner.

CRUSHED BY AN ENGINE.

L. & N. Fireman Killed by Train at Latham Station Yesterday Morning.

BODY BADLY MANGLED.

After Inquest Remains Were Sent to Nashville For Interment.

H. L. Cole, an L. & N. fireman, was killed by the cars near Latham station yesterday morning about 5 o'clock. His train arrived from Earlinton at 3 o'clock, and, after getting orders, ran down to the rock quarry to be loaded with ballast. Cole, acting as flagman, came back up the track to a cattle gap in sight of Latham, where he sat down on the track. He set his red lantern so as to flag another freight train then due. As the train, loaded with ballast, started back north, conductor D. E. Lynn, who was on the pilot, saw an object on the track. He called and Cole raised his head, but made no effort toward getting off. The train was then too close to stop and he was run over. One arm and both legs were severed and his head and chest were crushed. He lived only a few minutes.

Cole was about 25 years old and leaves a widowed mother in Nashville. He had been in the employ of the railroad company for several years. Coroner Allensworth held an inquest and the remains were sent to Nashville last evening.
